The Reddings Primary and Nursery School

Anti-Bullying Policy

1. Introduction

The Reddings Primary and Nursery School is committed to ensuring that all children are able to learn in a supportive, caring and safe environment without the fear of being bullied. Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated. If bullying does occur, all pupils should know who to tell and know that incidents will be dealt with promptly and effectively.

Bullying is defined as deliberately hurtful behaviour, repeated over a period of time, where it is difficult for those being bullied to defend themselves. Bullying can take many forms and is often motivated by prejudice against particular groups, for example, on grounds of race, religion, vulture, gender, sexual orientation, social background, Special Educational Needs and Disabilities.

Bullying can be:

- **Emotional**   being unfriendly, excluding, tormenting (eg, hiding equipment or possessions, threatening gestures, spreading rumours)
- **Physical**   pushing, kicking, hitting, punching or any use of violence, racial taunts, graffiti, gestures
- **Sexual**   unwanted physical contact or sexually abusive comments
- **Homophobic, Biphobic, Transphobic.**
      because of or focussing on the issue of sexuality
- **Verbal** comments   name-calling, sarcasm, spreading rumours, teasing, offensive
- **Written**   **offensive or threatening written material**
- **Cyber**   All areas of internet such as email, internet chat room abuse and social media sites such as facebook and twitter. Mobile threats by text messaging and calls. Mis-use of associated technology, ie, camera and video facilities

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

We at the Reddings Primary & Nursery School have a responsibility to respond promptly and effectively to issues of bullying.

2. Aims

- To produce a safe and secure environment where we can all learn without anxiety
- To produce a consistent whole school response to any bullying incidents that may occur
- To make it clear that all forms of bullying are unacceptable
- To deal effectively with bullying
- To encourage children to report incidents of bullying and ensure that they are listened to
- To help and support bullies change their attitudes as well as their behaviour and why it needs to change

♦ To liaise with parents and other appropriate members of the school community
♦ To ensure all members of the school community feel responsible for combating bullying

3. The Role of Governors

- 3.1   The Governing Board supports the Head Teacher in all attempts to eliminate bulling from our school. This policy makes it very clear that the Governing Board does not allow bullying to take place in our school, and that any incidents of bullying that do occur are taken very seriously and dealt with appropriately.
-
- 3.2 The Governing Board monitors the incidents of bullying that occur, and reviews the effectiveness of the school policy regularly. The Governors require the Head Teacher to keep accurate records of bullying and to report to the Governors on request about the effectiveness of school anti-bullying strategies.

- **3.3   The Governing Board responds within 10 days to any request from a parent to investigate incidents of bullying. In all cases, the Governing Board notifies the Head Teacher and asks him/her to conduct an investigation into the case and to report back to the Governing Board.**

4. The Role of the Head Teacher

4.1 It is the responsibility of the Head Teacher to implement the school anti-bullying strategy and to ensure that all staff (both teaching and non-teaching) are aware of the school policy and know how to deal with incidents of bullying. The Head teacher reports to the Governing Board about the effectiveness of the anti –bullying policy on request.

4.2 The Head Teacher ensures that all children know that bullying is wrong, and that it is unacceptable behaviour in this school. The Head Teacher draws the attention of children to this fact at suitable moments. For example, if an incident occurs the Head Teacher may decide to use assembly as a forum in which to discuss with other children why this behaviour is wrong, and why a pupil is facing severe consequences.

4.3 The Head Teacher ensures that all staff receives sufficient training to be equipped to deal with all incidents of bullying.

4.4 The Head Teacher sets the school the school climate of mutual support and praise for success so making bullying less likely. When children feel they are important and belong to a friendly inclusive school that recognises and demonstrates respect for a diverse school community, bullying is far less likely to be part of their behaviour. (Refer to Positive Behaviour Policy for further details on rewards and sanctions)
