Dear Parents and Carers

Today has been a lovely day as it is the first time in 18 months that we have been able to get together for a whole school assembly. I was worried that we would have forgotten how to do it but I think we managed to muddle through it ok!

It have been really good to see the vast majority of children back in their full school uniform. Can I just remind you that PE kits are white tops and black shorts or leggings as we still have a few rather colour-ful ones appearing!

By next week we will be looking to get a list of dates to you for upcoming events but I wanted to give you prior notice about our MacMillan Coffee Morning which will be taking place on **Friday 24th September at 9 o'clock**. It will be a great way to support a fantastic charity and to meet new parents so I hope to see lots of you there.

School Uniform:

Please note that our school uniform is sold by Beats Uniform shop in Watford, the link below directs you straight to the Reddings page.

https://beatschooluniforms.co.uk/schools/the_reddings_primary_school/

Our school office only sells book/P.E bags which are £5 each. We now operate a cashless office and as such have no cash/change on site. As a parent please can you ensure that you have set up an account on Gateway where you will be able to pay for everything school related.

Reminders

When collecting your child after school, parents with children in Years 4, 5 and 6 need to stand on the top playground and wait for the class teacher to bring the children up to them.

Please can we ensure that all children come into school with their book bags/water bottles and pack lunches (where applicable) as we are having too many children forgetting these items at home.
