Dear Parents and Carers

Firstly can I say a huge thank you to all those who attended our MacMillan Coffee morning today. We have raised an amazing £90 for the charity!

This week I also want to say a huge congratulations to Mr Hobbs who passed his Level Three Teaching Assistant Standard with P.E focus with distinction. We are all so proud of him.

Mrs Murphy has also been even busier than normal week as the school have had a visit from Herts County Council looking at the quality of provision for SEND learners. They were so complimentary about how staff support all learners and the range and variety of strategies used to enable them to access the curriculum.

A huge thank you goes to Maia in year 5 who, with the support of a fantastic group of friends, has started their own reading club. Today they shared this with the school in assembly and spoke passionately about how important reading is.
