

COVID RISK ASSESSMENT FROM MARCH 8TH 2021

- This risk assessment template is intended to support schools in their decision-making process and enable them to assess their site and activities as required by the current government guidance.
- This assessment is based on the expectations set out in the Schools coronavirus (COVID-19) operational guidance Feb 2021 (applies from 8th March)
<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak>
but must be adapted in order to give a clear narrative on the specific controls being put in place within your school to manage the risk from coronavirus.

As with other areas of risk school employers and leaders are required to reduce risk as far as is reasonably practicable, recognising that it is not possible to completely eliminate the risk of coronavirus.

- During this evolving situation please monitor and follow government guidance, further reviews and updates to the template will be made following any significant updates.
- In addition you should continue to review your controls and activities and update the risk assessment to reflect any changes in practice.

Notes on completion:

- This risk assessment should be completed by the Head and SLT in consultation with staff.

Consultation with employees is a legal duty and involving staff in the planning and assessment process will aid in your controls being adopted and in easing any anxiety amongst staff.

- Where you have a Union H&S representative then make sure you consult with them as part of the risk assessment process.
- You will need to review and tailor the contents of this generic risk assessment to meet your own individual circumstances, actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the "What further action is necessary?" column. Or alternative and equivalent control measures which you have put in place added.
- Ensure this document is made **specific** to your site. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.
- There may also be a requirement to review other existing work activity risk assessments for your school and amend these (if you have not already done so) to include the management of the risks associated with COVID-19.

Share the risk assessment

Once the assessment is completed **share** this with all staff, make sure that you brief all temporary staff, peripatetic and supply teachers, visiting coaches etc. on your expectations on managing risk.

- You may choose to publish the risk assessment on your website to provide a clear transparent approach to the wider school community.

Monitor and review

As the school returns continue to review how staff and students adopt to your controls, there will almost certainly be areas where the risk assessment will need review to reflect additional controls or risks which only became apparent as your operational activities and curriculum are delivered.

Review and tailor the contents of this generic risk assessment to meet your school's individual circumstances, actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the "What further action is necessary?" column. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.

RISK ASSESSMENT FOR: School activities during COVID 19 outbreak - opening from March 8th 2021			
Establishment: The Reddings Primary School	Assessment by: T. Prickett	Date: 06.03.2021	
Risk assessment number/ref: RA-006	Manager Approval:	Date:	

Rev 11 06/01/21 updated to remove reference to tiered system and announcement on 4th January of a national lockdown for all England

08/01/21 minor addition to make clear Schools can where required continue to engage supply and peripatetic teachers during this period.

03/02/21 updated broken AfPE hyperlink, added links to lateral flow testing risk assessment (No changes to the risk assessment required from the updated DfE guidance '[Restricting attendance during the national lockdown schools](#)' (2/2/21))

Rev 12 23/02/21 updated to reflect new DfE guidance applicable from March 8th **changes highlighted in yellow** <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak>

Take this opportunity to review and refresh all your now 'normal' measures on site, ensure that any signage and floor markings which may have faded / lost their impact are reinstated and re-communicate the importance for staff and children of social distancing, wearing of face coverings, hand hygiene and maintaining ventilation.

General Transmission of COVID-19 Ineffective hygiene protocols	Staff, Students / pupils / wider contacts	Welfare facilities are provided which contain suitable levels of soap and paper towels. All persons to wash hands with soap regularly and thoroughly, for at least 20 seconds. Hand washing technique to be adopted as directed by NHS guidance posters in place to reinforce this.	Posters throughout the school. New posters required for external building	TP / JT	08.01.2021	Completed
	Spread of COVID 19	Alcohol hand sanitiser used in addition where required e.g, to reduce congestion at toilets / where soap and water is not available. Review existing levels / location of hand sanitiser stations. Alcohol hand sanitiser provided at reception / entrance/exit points; student entrance /reception and should be used by all persons when entering/leaving. Additional hand sanitiser within classrooms where required e.g. for Early years children returning from the toilet where hand washing will not be as robust. Build use into routines staff and pupil routines e.g. on arrival, when returning from breaks, when changing rooms, before / after eating. Site staff to regularly clean the hand washing facilities and check consumables. Provide suitable and sufficient rubbish bins for hand towels with regular removal and disposal. Ensure adequate supplies of soap, hand sanitiser and paper towels and these should be securely stored. Catch it, kill it, bin it message reinforced. Tissues will be provided for classrooms. Staff to replenish as needed. Staff / students to use tissues when coughing or sneezing and then place the used tissue in the bin before washing hands. (lidded bins in classrooms / other locations for disposal of tissues and other waste) All persons are reminded to not touch their eyes, nose or mouth if their hands are not clean.	Posters to be displayed in link toilets HT and caretaker to review location of hand sanitisers. Increase as required Sanitisers with stands to be purchased to go outside link and dining room. Further automatic dispensers to be purchased and erected around school No further action - in place since 01.06.2020 Daily clean and check of hand washing facilities. Dispose of hand towels rubbish bag at lunchtime. Bag to be tied and left outside external door for caretaker to collect and dispose of in main bins. Bins to be emptied at end of day	TP EF & JT TP & EF Teachers / TAs / Caretaking team	01.09.2020 04.09.2020 31.08.2020 02.09.2020	Ongoing-protocol established Completed Completed ongoing-protocol established Completed Ongoing-protocol established
General Transmission of COVID-19 Ineffective cleaning	Staff, Students / pupils / wider contacts	Documented cleaning schedule in place.	Classroom cleaning boxes to be replenished and returned to classes for reopening	DC	06.03.2021	Complete
	Spread of COVID 19	Enhanced cleaning schedule implemented throughout the site during school day, ensuring that frequent contact points, e.g. door handles, taps, flush handles, toilet door handles, table / desktops, bannisters, telephones, keyboards etc. are all cleaned and disinfected regularly. Shared areas and rooms that are used by different groups will require more frequent cleaning / cleaning between groups.	Classroom cleaning logs reviewed in light of full lockdown. Daily fogging in place with foggers in	JT	08.01.2021	Complete

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Where toilets are shared between different groups these must be cleaned regularly (focus on high contact surfaces) and the importance of thorough hand washing reinforced. (consider signage allocating cubicle / sinks for specific bubbles in shared toilets)</p> <p>Cleaning materials (e.g. disinfectant spray / wipes) available to staff. Manufacturer's instructions for dilution, application, PPE and contact times for all detergents and disinfectants to be followed.</p> <p>Only cleaning products supplied by the school / contract cleaners are to be used. School to obtain the risk assessment from contract cleaning staff for assurance on social distancing measures and their schedule / methods for cleaning the school site.</p> <p>Thorough cleaning of rooms at the end of the day.</p> <p>In the event of a suspected case / confirmed positive case on site For disinfection (e.g. following a suspected case) use a combined detergent disinfectant solution at a dilution of 1000 parts per million (ppm) available chlorine (av.cl.) or a neutral purpose detergent followed by disinfection (1000 ppm av.cl.). See PHE advice COVID-19: cleaning of non-healthcare settings guidance if an alternative non-chlorine based disinfectant is used ensure that it is effective against enveloped viruses i.e. a product to BS EN14476.</p> <p>When cleaning a contaminated area: Cleaning staff to:</p> <ul style="list-style-type: none"> • Wear disposable gloves and apron • Wear a fluid resistant surgical mask (Type IIR) if splashing likely • Hands should be washed with soap and water for 20 seconds after all PPE has been removed. <p>PPE to be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished.</p> <p>Any cloths and mop heads used must be disposed of as single use items.</p>	<p>classrooms. <i>See fogger risk assessment.</i></p> <p>Toilets not being shared</p> <p>Daily / Weekly cleaning log maintained</p> <p>Link toilets not in use during lockdown</p> <p>Cleaning of rooms as part of cleaning schedule</p> <p>Additional cleaning of hall floor to accommodate further use for PE</p> <p>Communicate information to staff team</p> <p>Area to be fogged</p>	<p>Class team</p> <p>Caretaking team</p>	<p>Updated daily</p> <p>Mondays from 09.11.20</p>	<p>In place</p>

General Transmission of COVID-19 Minimising contact and Maintenance of social distancing	Staff, Students / pupils / wider contacts	<p>Bubbles/ Groups: Determine the nature and size of your distinct groups (bubbles) and document the approach being taken i.e. class bubbles, year group bubbles etc. (these should be as small as practicable to reduce transmission risk whilst delivering the full curriculum).</p> <p>Groups to remain clear and consistent and separated from other groups.</p> <p>Limiting interaction between groups by: Staggering breaks and lunch; Minimise rooms / spaces being shared across groups; Cleaning shared spaces between use by different groups e.g. canteen, school library etc. No groups are coming together for assemblies, events / school fairs, school trips etc. Wider assemblies / collective worship conducted via video link. Continue to use social distancing wherever possible (more emphasis on this is likely with older children).</p> <p>Where staff move across groups (bubbles) hands to be washed / sanitised before and after and social distancing (2m) to be maintained from other staff and adults as far as is reasonable. Schools can continue to engage supply and peripatetic teachers including staff from music education hubs.</p> <p><i>"It is strong public health advice that staff in secondary schools maintain distance from their pupils, staying at the front of the class, and away from their colleagues where possible. Ideally, adults should maintain 2 metre distance from each other, and from children"</i> Ideally the teaching space / workstation should be 2m from pupils. (where this is within 1m then change layout / increase space at the front of the class to attain at least 1m+, consider use of perspex screens. Wearing of face coverings now required for secondary students and staff when 2M distancing cannot be maintained in class.</p> <p>Keep space at front of class for SLT to enter and be present whilst maintaining social distancing.</p> <p>All staff to avoid close face to face contact and minimise time spent within 1 metre of anyone.</p>	<p>Ongoing monitoring of movement around school and ability of groups to remain apart.</p> <p>Determine any pinch points, congested corridors etc and review controls to keep groups apart.</p> <p>All collective gatherings done via MSTeams</p> <p>Staff to wear masks / visors when not located within their bubble. Signage to be displayed</p> <p>All visitors to wear masks / visor in school</p> <p>Visitors kept to absolute essential key personnel- Visitor Policy in place. Reviewed Feb 2021</p> <p>Parents to wear masks / visor on the playground- comms to parents for start of wider opening</p> <p>'Drop ins' to be conducted by staff within bubble and where it is required that it is with or by another member of staff – to wear masks and remain 2m apart within a well ventilated classroom. Non-bubble members to be in class for less than 15 mins</p>	<p>Staff / SLT</p> <p>Staff / SLT</p> <p>TP</p> <p>Office team to enforce</p> <p>EF</p> <p>TP</p> <p>TP</p> <p>Class staff</p>	<p>Staff / SLT to monitor throughout the day and revisions made as required</p> <p>ongoing</p> <p>04.1.2021</p> <p>Oct 20</p> <p>01.02.2021</p> <p>04.03.2021</p> <p>02.11.2021</p>	<p>Ongoing</p> <p>Completed</p> <p>Completed</p> <p>Completed</p> <p>Completed</p> <p>Completed</p> <p>Completed</p>

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Primary Settings to remain in class groups for the majority of the time. Pupils sitting side by side rather than face to face.</p> <p>Face coverings for visitors and staff to be worn in corridors and communal areas, including staffrooms (where 2M social distancing can't be maintained). Those wearing face coverings should clean hands before and after touching – including to remove or put them on – and store them in individual, sealable plastic bags between use.</p> <p>The use of face coverings does not replace social distancing, good hand washing and hygiene protocols.</p> <p>Extra-curricular clubs determine if these are essential and ensure delivery replicates school groups / bubbles. Able to resume all before / after school activities and wraparound care from March 8th where this supports parent/ carers working etc.</p> <p>Hiring and lettings risk assessments on delivery required from providers, suspend if controls are not as robust as the school's.</p> <p>Supplementary conditions of hire in place See https://thegrid.org.uk/Restricted-assets/covid-19-supplementary-hire-conditions-jan2021-v6.docx</p> <p>Social distancing (ideally 2m, 1m+ only with mitigation) must be maintained. Agree your maximum occupancy based on the room size and nature of activities (static vs a range of movement).</p> <p>Review hirers activity against relevant Government guidance and any existing restrictions.</p> <p>Breakfast and afterschool clubs – risk assessments on delivery required from providers, suspend if controls are not as robust as the schools. See protective measures for holiday and after school clubs, and other out of school settings which recommend a max 15 children per group (multiple groups can use the same space, only if there is robust social distancing between groups).</p> <p>Wrap around care, Breakfast/ afterschool clubs able to resume from March 8th.</p> <p>Provision should, where possible, replicate the groups (bubbles) in place during</p>	<p>Changes to environment in place for Phase 2 to support teaching and learning</p> <p>During the New national restrictions extra-curricular activities /clubs only continue where they are reasonably necessary to support parents to work, search for work, or undertake training or education, or where the provision is being used for the purposes of respite care</p> <p>Sports Apprentice and PE lead to continue lunch clubs- reduced to single class clubs from Nov 2020</p> <p>No hiring or letting for Spring Term 2021.</p> <p>Breakfast club run by school staff. Comms to parents about wrap around provision</p> <p>After school club risk assessment in place at Lime Walk, Reddings children in separate area of club</p>	<p>TOC + Sports Apprentice to create and provide to classes</p> <p>GR/DC/TL</p> <p>TP</p> <p>Lime Walk</p>	<p>05.03.2021</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>the school day to minimise potential transmission between the school's groups. Review space / layout and occupancy to determine if children from different groups can maintain social distancing (2m between children from different groups). Where this is not possible keep the before / after school groups consistent to reduce mixing.</p> <p>Offsite visits No offsite visits to be run.</p> <p>Music-dance and drama Social distancing to be observed. This may limit group numbers. Keep background / accompanying music to levels which do not encourage teachers or other performers to raise their voices unduly. If possible use microphones, avoid sharing these. Clean equipment before / after use and between users / groups.</p> <p>Performances to be virtual / recorded for parents, no audiences in order to minimise risks. All undertaken in same consistent school bubbles.</p> <p>Singing and wind / brass instruments Increased risk of aerosol transmission with volume and numbers of individuals within a confined space is likely. Accumulation of aerosols to be limited by keeping the actual singing / playing time short. Activity to take place outside where possible.</p> <p>Where using indoor spaces ensure good ventilation through the use of mechanical systems and/or opening windows and doors. Limit group size in relation to the space, use larger rooms with high ceilings for larger groups. If using a shared space (hall etc.) then ventilate the empty room for at least 15 minutes before another group uses the space and clean all touch surfaces before use by another group.</p> <p>Larger groups e.g. more than a single class of 30, would need schools to undertake a specific risk assessment and demonstrate robust controls e.g. larger space, social distancing and good ventilation (min of 10l/s/person for all present).</p>	<p>No offsite visits to take place</p> <p>Dance and music curriculum as part of class sized bubble</p> <p>Music sessions with Rock Steady postponed to Summer term 2021.</p> <p>Music lessons continuing in well ventilated classrooms with singing occurring in class bubbles with awareness of singing away from each other.</p> <p>KS2 singing sessions to occur with 1 class in the hall and MS teams to other classes. 2m distance between TP and class</p>	Teachers		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Face to face activity is to be avoided (Pupils positioned back-to-back or side-to-side when playing or singing). Where face to face activity cannot be avoided ensure 2m physical distancing is kept between staff and pupils (if 2m is not viable further robust risk mitigation will be needed- screens, 'moisture guard' covers for mouth blown instruments and good ventilation.)</p> <p>Use microphones. Sing / play quietly to reduce aerosol risk. Position wind and brass players so that the air from their instrument does not blow into another player. No sharing of wind / brass instruments.</p> <p>Additional guidance and supplementary risk assessment on music lessons in school has been produced by Herts Music service. http://www.hertsmusicservice.org.uk/schools-covid-update/</p> <p>PE / school sport PE subject lead / head of PE to review existing risk assessments and schemes of work to include management of COVID-19 risks. Schools must only provide team sports listed on the return to recreational team sport framework.</p> <p>No requirement to wear face coverings in PE Pupils to be kept in consistent groups, sports equipment to be thoroughly cleaned between each use by different groups, and contact sports limited. (The AfPE's position is still that contact between students should be avoided in PE, where some element of contact is permitted this should be limited with social distancing in place for other parts of the lesson).</p> <p>Where National Governing Bodies have approved guidance which permits contact (FA etc.) lessons must be operated in line with that NGB guidance. https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-phased-return-of-sport-and-recreation/guidance-for-providers-of-outdoor-facilities-on-the-phased-return-of-sport-and-recreation.</p> <p>https://www.gov.uk/government/publications/coronavirus-covid-19-guidance-on-phased-return-of-sport-and-recreation/return-to-recreational-team-sport-framework</p> <p>Multiple groups not permitted to use PE / outdoor equipment simultaneously Sharing of equipment during PE is limited.</p> <p>Outdoor sports prioritised where possible, and large indoor spaces used where</p>	<p>PE lessons to continue within class bubbles with all resources used cleaned and quarantined.</p> <p>Quarantine area to be set up in a central location</p> <p>Sessions to be held outside weather and strand permitting Rota in place for PE sessions when required to be in the hall</p> <p>Additional cleaning of hall rota in place</p>	<p>TOC</p> <p>TOC</p> <p>Sports Apprentice TOC</p> <p>Caretaker</p>	<p>08.03.2021</p> <p>08.03.2021</p> <p>01.09.2020 & ongoing</p> <p>Jan 2021</p>	<p>Complete Ongoing Cleaning and hall timetable - complete</p>

		<p>not, maximising distancing between pupils and natural ventilation.</p> <p>Build in time for handwashing / sanitising before / after lesson. See advice and FAQ's from Association for Physical Education, AfPE have also published a model risk assessment for PE. https://www.afpe.org.uk/physical-education/coronavirus-guidance-support/</p> <p>No fixtures against other schools (in line with restrictions on grassroots sport) AfPE are still advising against school fixtures due to contact / transmission risks across schools.</p>	<p>Football to take place outside</p> <hr/> <p>Hirings / lettings reviewed, determine when these may be able to return to school in line with national advice and relaxation of restrictions.</p> <p>Activities as part of educational provision and wraparound care can return from March 8th</p> <p>No return of grassroots outdoor sport until at least March 29th</p> <p>See also Sport England FAQs on return of sport</p> <hr/> <p>Sport as part of educational provision and wraparound care can return from March 8th</p>		Ongoing	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Access to & egress from site	Staff, Students / pupils / wider contacts	Introduce staggered start and finish times to reduce congestion and contact at all times. Review access points, open up alternative gates. Allocate groups different times / entrance points. Communicate changes and allocated times to parents / pupils.	In place and communicated to parents Top gate to remain locked: 9.05am to 2.55pm. Gate staff member to lock / unlock Bottom gate locked from 9:05	EF / TP	Updated Sept. reviewed Nov 2020 Review for Jan 2021	Complete
	Spread of COVID 19	Staff on duty to monitor arrival / departure and site access points to facilitate social distancing – may need to change the number of access points, either increase to reduce congestion or decrease to enable monitoring. Discourage parents picking up their children from gathering at the school gates. Introduce visual aids to help parents socially distance / supervise entry and collection. Introduce floor markings to aid social distancing (e.g. tape or survey spray) where controlled queuing will be expected. Communicate expectations to parents. Consider one-way traffic through external doors to avoid face to face passing. Visitors Only essential visitors allowed on site. Ensure all visitors / building users are aware of school's expectations. They must follow social distancing, hand washing / use of sanitiser on entry and adhere to any restrictions on accessing parts of the building stipulated by the school. Parents instructed only to come onto premises by appointment or in event of an emergency. Volunteers, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk, including the need to maintain distance (2m where possible) from other staff and pupils. Where visits can happen outside of school hours, they should. A record should be kept of all visitors or the lead member for a group e.g. a hiring (records maintained for 21 days) to aid track and trace. (Name, contact phone number, date of visit arrival / departure time) Signage in reception regarding good hygiene. Use of Perspex screens for open receptions and tape / visual markers to reinforce social distancing (2 m where possible)	Additional advice and support provided to parents on dropping off and picking up Spray line markings 2m apart to replace tape One-way traffic through link (top playground to lower playground). Signage to be clear for parents InVentory signing in system in place. During lockdown office team to log essential visitors in diary. All staff to sign in /out. Office to monitor Visitor policy in place. To be reviewed as part of SLT meeting	Staff / JT JT / AB Office team Office team on arrival Staff SLT	01.03.2021 March 2021 02.09.2020 04.01.2021 Daily 12.01.2021	Complete Complete Ongoing complete

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Proximity of students/ staff	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>Staff are to maintain a safe distance between each other (2 metres wherever possible)</p> <p>Occupied rooms to be kept as well ventilated as possible (by opening windows) or via ventilation units. (where mechanical ventilation is present that removes and circulates air to multiple rooms recirculation should be turned off and adjust these to full fresh air where possible)</p> <p>There is no need to adjust systems that serve only individual rooms or portable units as these operate on 100% recirculation. See HSE guidance and CIBSE COVID-19 ventilation guidance</p> <p>In cooler weather open windows just enough to provide constant background ventilation, open windows more fully between classes, during breaks etc. Use heating / additional layers of clothing to maintain comfortable temperatures. Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)</p> <p>Consider opportunities for outdoor learning to assist in social distancing. Staff to follow social distancing guidance in offices/staff rooms/close working in rooms etc i.e. 2m wherever possible. Where staff need to move between classes and year groups, they should try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults.</p> <p><u>Meetings / 1-2-1's / training</u> Limit face to face meetings to those which are essential and cannot be delivered in any other way. Ensure these are conducted in large enough areas to maintain social distancing; or via electronic means (Microsoft Teams etc.) No physical large scale / all staff briefings should be undertaken.</p> <p><u>Staff rooms</u> Review occupancy levels and layout to facilitate social distancing Set maximum occupancy, staff to stagger use to enable distancing.</p> <p><u>Stairs / corridors</u> Minimise groups (bubbles) transitioning at the same time to ensure brief contact. (passing briefly in circulation spaces is a low risk) Implement one-way system (where possible e.g. multiple routes / stairs) Stagger use and numbers using circulation spaces at the same time. Avoiding multiple groups queuing in same shared areas/ narrow corridors etc Pupils queuing e.g. for entry into labs will need supervision and floor markings to aid distancing.</p>	<p>High level windows open in hall and in central offices. Classrooms to have skylights open (2) throughout the day to enable air flow</p> <p>Staff / children to wear additional layers of clothes as necessary</p> <p>Office staff and HT only permitted to access the main office.</p> <p>All staff meetings and SLT meetings via MSTeams</p> <p>4 staff members at a time in staff room (notices in place) Additional staffroom created for staff lunch time</p> <p>Learners to largely stay within classes, lunches timetabled to avoid passing others</p>	<p>JT / staff</p> <p>Staff</p> <p>Staff Office team</p> <p>TP / staff</p> <p>Staff</p> <p>TP</p> <p>Staff</p>	<p>04.01.2021</p> <p>Oct & ongoing</p> <p>04.01.2021</p> <p>04.01.2021</p> <p>04.01.2021</p> <p>04.01.2021</p> <p>01.09.2020</p>	<p>In place</p> <p>Complete</p> <p>complete</p> <p>In place</p> <p>Complete</p> <p>In place</p>

		assessment. All essential / statutory maintenance deemed necessary to the safe running of the school was continued during periods of national lockdown.				
Provision of first aid	Staff, Students / pupils / wider contacts Spread of COVID 19	It is accepted that social distancing cannot be maintained during the delivery of first aid, but physical contact should be kept to a minimum e.g. pupils apply cold pack, wipe, plaster where able to do so. Wash hands before / after treatment. Those administering first aid should wear PPE appropriate to the circumstances. Where the injury was significant and thus required close care for an extended period then it would be reasonable to provide PPE. See also 'provision of personal care' and 'Suspected case whilst working on site'. https://www.resus.org.uk/media/statements/resuscitation-council-uk-statements-on-covid-19-coronavirus-cpr-and-resuscitation/covid-community/ First aid rooms can be very busy and are often small rooms. Schools should make arrangement for only one person being treated in the first aid room at a time and allocate another room / area as a waiting/collection area. If daily medication is administered from 1 st aid rooms then consider if this needs relocating to reduce demand on space.	First aid reporting station set up in foyer to ensure staff complete forms in a timely manner without the need to cross bubbles in order to access them Medicines stored safely within medical room/ medical fridge and accessed on a known timetable	First Aiders MK/ First Aiders MK/First aiders	01.09.2020	Ongoing-protocol in place Complete Ongoing-protocol in place
Provision of personal care	Staff, Students / pupils / wider contacts Spread of COVID 19	Additional PPE in place if required e.g. for intimate care, to be risk assessed and to be based on nature of task and level of contact (e.g. disposable apron, gloves, fluid resistant surgical mask (type IIR) and if there is a risk of splashing to the eyes e.g. coughing, spitting, vomiting then eye protection should be worn.) Where a child falls ill with Coronavirus symptoms whilst on site (new continuous cough, high temperature cough or a loss of, or change, in your normal sense of taste or smell.) then school staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask) if a distance of 2m cannot be maintained. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask, disposable apron and gloves.	PPE equipment boxes located within each classroom. Restocked for start of each term Box located in community space PPE equipment already in place in isolation zone including visor. Insolation zone PPE box to be checked Isolation zone to remain empty and additional items that have been stored there to be removed Visors available – staff to ask caretaker. Visor in main office	DC / MK TP TP Staff	01.09.2020 04.01.2021 06.03.2021 04.01.2021 06.03.2021 08.01.2021 Ongoing	Ongoing-protocol in place Complete Complete Complete

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Emergency procedures (Fire alarm activations etc)	Staff, Students / pupils / wider contacts Spread of COVID 19	Emergency evacuations are to take place following social distancing principles as far as is reasonably practicable (this will be impacted during evacuation, but will be for short period). Maintain groups / bubbles at assembly points. Increased supervision and reiteration of messages to occupants	Emergency evacuation procedure to be practised	EF / JT	30.09.2020	Complete
			Lockdown procedures CPD-staff meeting	EF/JT	05.10.2020	complete
			Spring Term emergency practice to occur	TP / JT	31.03.2021	
Deliveries & Waste collection.	Staff, Students / pupils / wider contacts Spread of COVID 19	Do not approach delivery staff, allow packages to be left in a safe place. Hands are to be thoroughly washed after handling all deliveries or waste materials. Waste collections made when the minimum number of persons are on site (i.e. after normal opening hours).	All deliveries via staff car park, post and paper box located in the outside staff room. 24hours isolation / fogged on collection	Office Team	01.09.2020	Ongoing-protocol in place
Premises safety	Staff, Students / pupils Wider safeguarding / safety risks	Ensure all 'normal' tasks / compliance checks are being carried out/planned such as fire alarm testing, legionella controls, servicing of equipment, PAT testing etc. Ensure all key services are operational Legionella Any new 'seldomly' used water outlets to be flushed weekly. Post any lockdown / in the event of closure of any part of the building i.e. where weekly flushing of outlets has not taken place then chlorination / flushing of whole system should take place. Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)	In place as part of ongoing practice	JT / AB	Ongoing	Ongoing-protocol in place
			Wedged doors: dining room and door to link toilets (not key doors)	JT	Ongoing	Ongoing-H&S rota in place
Lack of awareness of PHE / school controls	Staff, Students / pupils / wider contacts Spread of COVID 19	All staff consulted on plans and risk assessment. Parents/ carers and pupils informed of measures in place to protect them Posters will be displayed in the reception, welfare areas and in suitable places around site. Clear briefing for all personnel on site, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from government guidance. Volunteers, peripatetic, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk, including need to maintain distance (2m where possible) from other staff and pupils.	Risk assessment to be shared with all staff members in advance reopening (email) Further communication at INSET / team meetings	TP / SLT / office	01.09.2020 07.09.2020	Updated in accordance with guidance
			Posters and signage already in place throughout the school. Replace / update as required	EF / TP	ongoing	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Staffing levels	<p>Staff, Students / pupils</p> <p>Spread of COVID 19</p> <p>Wider safeguarding / safety risks</p>	<p>Dynamic decisions on staffing levels made dependent on numbers / needs of pupils present in school.</p> <p>Reviewed to ensure adequate number of staff in attendance to maintain an appropriate ratio with pupils and ensure key competencies (first aid etc maintained)</p> <p>Options such as supply staff, splitting classes, SLT cover, partial closure may be required in event of staff shortages.</p>	<p>Local operational decisions on partial closure / closure to be made in event of insufficient available staff to supervise pupils. With a move to remote learning in such circumstances for those pupils affected.</p> <p>School Comms plan to be written</p> <p>PPA / leadership time taken off site (where possible)</p>	TP	08.01.2021	Completed

Previous revisions

Rev 1: updated template following issue of Government advice on July 2nd ['Actions for schools during coronavirus outbreak'](#)

Rev 2: 16/07/20 updates to swimming pool section following confirmation of re-opening from 25th July, additional controls added to hire / lettings, some other minor changes;

Rev 3: 13/08/20 updated to take account in changes in national advice regarding face coverings

Rev 4: 01/09/20 updated following updated [DfE guidance on full opening](#) (28/8/20), [face coverings in education](#) (year 7 and above), testing kits and DfE guidance on [extra curricular activity](#)

Rev 5: 09/10/20 updated link to reporting of positive cases, use of NHS COVID-19 app and link to supplementary hire conditions added, updated Association of PE links added, changes from previous version highlighted in yellow.

Rev 6: 04/11/20 updated following revised DfE guidance (22/10/20) and [New national restrictions](#) from November 5th until 2nd December (See also How New National Restrictions to control the spread of coronavirus (COVID-19) impact education, childcare and children's social care settings <https://www.gov.uk/guidance/education-and-childcare-settings-new-national-restrictions-from-5-november-2020>)

19/11/20 – minor addition only to clarify extracurricular activities / clubs can include activities related to PE, sport, music etc. where this is to enable parents / carers to work etc.

Rev 7: 01/12/20 Applicable from 2nd December updated to reflect end of national restrictions and Hertfordshire entering tier 2. Also maximum group size of 15 for singing / playing wind/ brass instruments removed and section on music revised.

14/12/20 minor update to reflect change in self-isolation period for close contacts from 14 days to 10 days with self-isolation period beginning on the day after exposure, a test or the start of symptoms.

Rev 8: 15/12/20 update to reflect the following District / Borough Councils moving into tier 3 very high alert on 12:01am on 16th December: Broxbourne, Hertsmere, Three Rivers, Watford See <https://www.gov.uk/guidance/full-list-of-local-restriction-tiers-by-area> ;

17/12/20 - minor update to reflect all of Hertfordshire entered tier 3 as from 00:01 Saturday 19th December

Rev 9: 23/12/20 update to reflect Hertfordshire entering tier 4 as from Sunday 20th December, CEV staff and students to shield, suspension of hires in line with national guidance, offer of lateral flow testing from 1st week in January.

Rev 10: 04/01/21 updated in line with revised national [guidance on return in January 2021](#) and Contingency framework implementation this applies to Schools in Broxbourne, Watford , Three Rivers and Hertsmere <https://www.gov.uk/government/publications/coronavirus-covid-19-contingency-framework-for-education-and-childcare-settings> changes highlighted in yellow
