Newsletter 15th October 2021

Dear Parents and Carers

You may have noticed that Mr Rawes has not been in school this week and I am pleased to be able to share the very happy news that Mr Rawes and his wife are proud parents to a little baby boy, Teddy. I am sure that you will share with me in congratulating them both. Mr Rawes is taking some time at home with his family and will be returning after half term.

It was so lovely to be able to welcome so many parents to our parent consultation evenings and actually meet with you face to face. Apologies that it was so cold in the hall, we had all of the windows and doors open for ventilation but I know it did make for rather freezing appointments!

Year 3 had the most fantastic day learning about history with their performance this week. They were able to apply their knowledge and use it to act out the chronology from the Ice Age to the Stone Age. They were so confident in acting and delivering their lines in front of all of the parents who attended. Well done Year 3!

Attendance continues to be lower than we would like. I know how difficult it has been with children having coughs and colds but we really do need to have children in school and learning. If you are taking your child out of school for something other than illness or a medical reason, please do let us know the real reason as it can be very awkward when children tell us they have been on holiday or on a day out when the parent has told us that they were sick. Children will always tell us the truth and it makes them embarrassed when we look surprised!
