Dear Parents and Carers

I would like to start by thanking all of you for your kind words and well wishes. Change is tricky for us all, however The Reddings is in a great place and ready for a new leader to take the school on the next phase of its journey. The school will be in 'safe hands' with Mrs Fleet at the helm; who will be well supported by Mrs Haswell, Mrs Murphy and Mr Rawes. We have a clear direction for September and that direction will continue as it is all about ensuring our curriculum delivers the knowledge and skills to enable our children to thrive.

It is lovely to walk around the school and hear classes 'in action'. It is great to have the extra-curricular provision up and running. If you didn't manage to get your child signed up, please contact Mr O'Callaghan who oversees club organisation.

The children and staff are working incredibly hard to 'bridge' the learning lost due to COVID closure. We shall be recommencing home learning activities via Seesaw however just sharing a book with your child, putting the subtitles on when your child is watching television and talking with them makes a huge difference as this increases your child's vocabulary.

Wishing you all a lovely Bank Holiday weekend

Tracy Prickett

Pick up Arrangements

If someone else is picking up your child after school, please inform your child's teacher / office via email. Due to COVID, staff are restricted from entering other bubbles, which in turn makes it very difficult to pass on last minute phone messages.

School Gates

Please remember that the school gates opens at 8.45am and closes at 9.00am every day. Doors close at 8.55am for Year 1 to Year 6. All children need to be in school by this time so they are 'Ready to Learn'.

After School Clubs

A reminder that children must be picked up after attending an after school club even if they normally have permission to walk home as that permission is for the normal end of the school day.
