

You Choose- Reception Autumn 1 2020

Reception Autumn 2020 Welcome to our Autumn Term Curriculum Flyer. These are our areas of focus for this half term. Please use this information to support discussion of learning at home. If you have any questions or concerns, please see me at the end of the day or contact me via email. **Mrs Bradley** sbradley@reddings.herts.sch.uk

Literacy For the first few weeks we will be securing children in Set One letters in phonics where we are beginning to learn the initial sounds of letters, using the Read Write Inc scheme. We will be focusing on giving writing a go and ensuring that we are holding the pencil using the tripod grip. We will be focusing on the topic Ourselves and looking at the book 'You Choose'

Communication and language We will be focusing on listening and attention. Children will be working mostly in small groups to help them settle into the routine of the day. We will learn how to be good listeners, how to follow a sequence and how to listen and respond to other children.

Maths In Maths we will be focusing on counting objects one to one and knowing the number. Recognising for example that 3 dots on the dice is number 3 and can say when a domino with 4 dots is not the same. We will also be looking at patterns and shape.

Physical Development Fine Motor Every morning the children work on their fine motor development. This help to strengthen their fingers to enable children to hold a pencil and use scissors. The children will also do exercises and use the climbing equipment in the garden.

Understanding the World We will be focusing on ourselves, our likes, dislikes, what makes us special and our families. We will be looking at different types of families, comparing our similarities and interests. We will be talking about Autumn and Harvest.

Personal, social and emotional Development Our main focus will be settling in to a new environment, with new adults and children. We will be doing lots of activities based around keeping ourselves safe, establishing some class rules and learning how to be a good friend.

Expressive Art and Design We will be showing the children how to access the different opportunities in the creative area. We will be exploring the musical instruments, acting out popular stories and making representations of themselves and people who are special to us.

Lunches

A menu will be sent out each week. Please discuss with your child the different lunch options and selected which meal your child will have for the following week. Please return the completed sheet each THURSDAY so that we can order the correct meals.

Reading On Fridays your child will have the opportunity to take home a reading book from the class library. This is an opportunity for you to share the book with them. It is not expected that your child will be reading the words of these books. We cannot give your child a new book until they have returned the old one. Children will be sent home reading books with words to practice their reading at home using their growing phonics skills.

PE

The children do not need a PE kit at the moment. We will let you know when PE actually starts and then the children will come to school with their PE kit on. PLEASE CAN YOU ENSURE THAT ALL THEIR NAMES ARE ON THEIR BELONGINGS Water Bottle, Jumpers, Coats, Book Bag, Indoor shoes, outdoor shoes.

Keywords

Numeral/ digit : a number

Phoneme: the letter which represents the sound

CVC words: simple three letter words (constant-vowel constant: dog, pig, sit, run)
