Dear Parents and Carers

It has been a busy week at school this week as clubs have begun. It is so exciting to see such a wide range of extra-curricular activities on offer and I would like to say a big thank you to all of the staff who give up their lunch times or after school in order to provide them. An even bigger thank you goes to Miss Biggadike for organising them all. A couple of the clubs have one or two spaces left so please do check if your child would like to join and you haven't yet signed up. Can I also remind parents that if a club is after school it is a requirement that children are collected as we do not let them walk home at this time.

Last week's attendance was really strong across the school but this week there has been quite a dip. I know that it has been a difficult summer and holidays were expensive but please remember that holidays should not be taken in term time. If you can, please try to make medical appointments after school. If this is not possible could you bring in, or email, a copy of the appointment date and time to the office so that they can authorise.

Please find attached an outline of the calendar dates for this term. Some, such as the disco, are provisional at the moment as we are awaiting confirmation from the DJ! We will aim to keep these dates as published but will give you as much notice as possible if they need to change for any reason.

Kindest regards.

Mrs Fleet
