

## Governors Newsletter Spring 2020

We are very pleased to welcome Jeff Fielding and Ed Garcia to the board as parent governors. They are both parents to Year 1 children and bring enthusiasm and a range of useful skills. For the first time in a number of years, there are no governor vacancies and we have a strong team of people committed to making The Reddings Primary School the best it can be. Jeff undertook his first public appearance when he cut the cake

with Mayor Terry Douris at the 60th anniversary 60s disco. We are looking forward to further events in the summer term to mark the history of the school. One of our current focuses is to improve communication and engagement with our local community.

You can spot behind the Mayor's left shoulder the Governors' Writing Competition shield which we shall be awarding again in May. Governors so enjoyed this event last year and are looking forward to receiving and reading this year's entries.

In November 2019, Chair of Governors Gillian Knibbs was presented with an Outstanding Governor Award by the Hertfordshire Association of School Governors which included a

£250 prize for the school. This was in recognition of her work over the previous two years in reforming and rejuvenating the Governing Board to support strong leadership and direction of the school.
