

Weekly Newsletter – 28th January 2022

Dear Parents and Carers

This has been another busy week as Covid continues to be felt across the school and I know that some classes have had a few different teachers across the week. I would like to say a big thank you for your patience as we work to ensure that all classes are kept open and children in school.

We do have a couple of new members of staff who have just joined us.

Mrs Watters will be working with Mrs Timony and Mrs Deighan in Nursery and Mr Savage is our new caretaker. They are settling in really well and I know that they have been made to feel welcome by staff, children and parents.

In Reception, you may have noticed that Mrs Bradley has been absent for some time. I'm sad to say that over Christmas her family experienced a traumatic incident and she is taking some time at home. We are in regular contact with her and she is doing amazingly well. She is missing everyone but needs to spend time with her family. Mrs Frampton will continue to be in class every day until half term and we are looking to find someone to join our team until Mrs Bradley is ready to return.

On a more positive note. I am pleased to say that, following advice from the Covid Response Team at Public Health England, clubs will resume from next week, as will swimming. I know that the children can't wait!

Mrs Fleet

COVID:

If your child has tested positive for Covid, you must ring and inform the school on the absence line below:
