

COVID RISK ASSESSMENT

November 2021

- This risk assessment template is intended to support schools in their decision-making process and enable them to assess their site and activities as required by the current government guidance.
- This assessment is based on the expectations set out in the Schools coronavirus (COVID-19) operational guidance July 2021 (applies from Step 4, after 19th July)
<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak> but must be adapted in order to give a clear narrative on the specific controls being put in place within your school to manage the risk from coronavirus.

As with other areas of risk school employers and leaders are required to reduce risk as far as is reasonably practicable, recognising that it is not possible to completely eliminate the risk of coronavirus.

- During this evolving situation please monitor and follow government guidance, further reviews and updates to the template will be made following any significant updates.
- In addition you should continue to review your controls and activities and update the risk assessment to reflect any changes in practice.

Notes on completion:

- This risk assessment should be completed by the Head and SLT in consultation with staff.

Consultation with employees is a legal duty and involving staff in the planning and assessment process will aid in your controls being adopted and in easing any anxiety amongst staff.

- Where you have a Union H&S representative then make sure you consult with them as part of the risk assessment process.
- You will need to review and tailor the contents of this generic risk assessment to meet your own individual circumstances, actions determined as required but not yet in place should be moved from the 'What are you already doing'? column to the "What further action is necessary?" column. Or alternative and equivalent control measures which you have put in place added.
- Ensure this document is made **specific** to your site. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.
- There may also be a requirement to review other existing work activity risk assessments for your school and amend these (if you have not already done so) to include the management of the risks associated with COVID-19.

Share the risk assessment

Once the assessment is completed **share** this with all staff, make sure that you brief all temporary staff, peripatetic and supply teachers, visiting coaches etc. on your expectations on managing risk.

- You may choose to publish the risk assessment on your website to provide a clear transparent approach to the wider school community.

Monitor and review

As the school returns continue to review how staff and students adopt to your controls, there will almost certainly be areas where the risk assessment will need review to reflect additional controls or risks which only became apparent as your operational activities and curriculum are delivered.

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
<p>individuals paused on 1st April 2021.</p>		<p>Individuals classed as clinically extremely vulnerable to have a risk assessment undertaken on their role. School to discuss arrangements / concerns with individuals and provide assurance of controls in place (i.e. hand washing, enhanced cleaning, ventilation, managing confirmed / suspected cases, LFD testing) and through the risk assessment process determine if any additional measures are required. This should consider if these staff are able to work from home or in areas / roles where limiting close contact is easier.</p> <p>See https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19</p> <p>Protect vulnerable workers - Working safely during the coronavirus (COVID-19) pandemic (hse.gov.uk)</p> <p>Nationally every adult has been offered a first vaccine and the opportunity for two doses by mid-September.</p> <p>Asymptomatic testing (LFD testing) Testing remains voluntary but strongly encouraged. Over the summer staff and secondary age students continue to test regularly (x2 weekly) if attending school.</p> <p>Staff are undertaking voluntary asymptomatic lateral flow testing twice weekly until further guidance is provided</p>	<p>assessments for CEV staff to be reviewed if they cannot work from home.</p> <p>In the event of an individual following specific clinical advice (e.g. a letter from their consultant/GP stating they should refrain from attending the workplace) it is strongly recommended that Schools contact their HR Advisor.</p> <p>COVID-19 booster vaccines to the most vulnerable, starting from September 2021</p> <p>Encourage vaccine take up (both doses)</p> <p>Guidance due- end of Sept November Changes: lateral flow testing for staff to continue</p>	<p>EF to look for guidance when it comes</p>		

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
School occupants coming into contact with those with Coronavirus symptoms	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>School community clear on symptoms of coronavirus: a high temperature, a new continuous cough or a loss of, or change, in their normal sense of taste or smell. Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection followed.</p> <p>These expectations have been communicated to all.</p> <p>Arrangements in place to ensure symptomatic staff / pupils do not return until isolation period has passed or negative test result confirmed.</p> <p>No symptomatic individuals to present on site.</p> <p>In the event of a suspected case whilst working on site Ensure SLT / Head are notified.</p> <p>Individual goes home immediately (if awaiting collection by their parent, isolate child in a room behind a closed door, or an area away from others (2M), open a window for ventilation) and self-isolate.</p> <p>Library is used as isolation area if unable to sit outside whilst awaiting collection and cleaned using the 'fogger' if used</p>	<p>Daily temperature checks are in place across each class</p> <p>Letter to parents</p>	<p>Staff</p> <p>EF</p> <p>JT</p>	<p>Sept 2nd</p> <p>13/9/21</p> <p>If required</p>	<p>In place</p> <p>Complete</p> <p>In place</p>

<p>.....</p> <p>... General</p>	<p>.....</p> <p>Staff,</p>	<p>School has some PCR home testing kits which can be provided in the exceptional circumstance that you believe an individual may have barriers to accessing testing elsewhere. https://www.gov.uk/government/publications/coronavirus-covid-19-home-test-kits-for-schools-and-fe-providers. Kits are not be given directly to children, only to adults over the age of 18 or a child’s parent or carer.</p> <p>Positive case in school setting Those affected self-isolate and do not return to school until the end of self-isolation period. See ‘when to contact the LA Covid response team’ https://thegrid.org.uk/covid-19/key-documents-for-schools COVID.EYSEducation@hertfordshire.gov.uk From 19th July NHS T&T will undertake contact tracing</p> <p>Asymptomatic testing (LFD testing) Testing remains voluntary but strongly encouraged.</p> <p>Staff are undertaking voluntary asymptomatic lateral flow testing twice weekly until further guidance is provided</p>	<p>From 16th August 2021 all those under the age of 18 years and 6 months and those adults who have been fully vaccinated will be exempt from self-isolation if a contact of a positive case. Close contacts should take a PCR test and only need to isolate if they test positive or develop symptoms themselves.</p> <p>Letter to parents to remind them of new protocol and isolating/ testing procedures</p>	<p>EF</p>	<p>13/9/21</p>	<p>done</p>

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Transmission of COVID-19		<p>Hand Hygiene Welfare facilities are provided which contain suitable levels of soap and paper towels. All persons to wash hands with soap and water regularly and thoroughly, for at least 20 seconds. Hand washing technique to be adopted as directed by NHS guidance posters in place to reinforce this.</p> <p>Alcohol hand sanitiser used in addition where required. Review existing levels / location of hand sanitiser stations. Provided at reception / entrance/exit points; student entrance /reception. Additional hand sanitiser in circulation spaces / classrooms where required. Centrally located around school, in each classroom and shared spaces</p> <p>Build use into routines staff and pupil routines e.g. on arrival, when returning from breaks, when changing rooms, before / after eating.</p>	All hand sanitizer stations to be refreshed at beginning of term	JT	1.9.21 All staff	Done In place In place In place
Ineffective hygiene protocols	Students / pupils / wider contacts Spread of COVID 19	<p>Site staff to regularly clean the hand washing facilities and check consumables. Provide suitable and sufficient rubbish bins for hand towels with regular removal and disposal.</p> <p>Ensure adequate supplies of soap, hand sanitiser and paper towels and these should be securely stored.</p> <p>Catch it, kill it, bin it message reinforced. Staff / students to use tissues when coughing or sneezing and then place the used tissue in the bin before washing hands. (lidded bins in classrooms / other locations for disposal of tissues and other waste)</p> <p>All persons are reminded to not touch their eyes, nose or mouth if their hands are not clean.</p> <p>All children to wash hands after having been outside and before snack and lunch</p>		Lunchtime staff	Daily	In place
General Transmission of COVID-19	Staff, Students / pupils / wider contacts	<p>Documented cleaning schedule in place, regular cleaning implemented.</p> <p>Ensure that frequent contact points, e.g. door handles, taps, flush handles, toilet door handles, table / desktops, bannisters, telephones, keyboards etc. are cleaned and disinfected regularly.</p>		JT	Sept 2021	In place

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
<p>Ineffective cleaning</p> <p>High Contact points</p>	<p>Spread of COVID 19</p>	<p>Cleaning materials (e.g. disinfectant spray / wipes) available to staff. Manufacturer's instructions for dilution, application, PPE and contact times for all detergents and disinfectants to be followed.</p> <p>Only cleaning products supplied by the school / contract cleaners are to be used. School to obtain the risk assessment from contract cleaning staff for assurance on social distancing measures and their schedule / methods for cleaning the school site.</p> <p>In the event of a suspected case / confirmed positive case on site For disinfection (e.g. following a suspected case) use a combined detergent disinfectant solution at a dilution of 1000 parts per million (ppm) available chlorine (av.cl.) or a neutral purpose detergent followed by disinfection (1000 ppm av.cl.). See PHE advice COVID-19: cleaning of non-healthcare settings guidance if an alternative non-chlorine based disinfectant is used ensure that it is effective against enveloped viruses i.e. a product to BS EN14476.</p> <p>Cleaning protocol in place with specialist cleaning (fogger) used in high touch areas</p> <p>When cleaning a contaminated area: Cleaning staff to:</p> <ul style="list-style-type: none"> • Wear disposable gloves and apron • Wear a fluid resistant surgical mask (Type IIR) if splashing likely • Hands should be washed with soap and water for 20 seconds after all PPE has been removed. <p>PPE to be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished.</p> <p>Any cloths and mop heads used must be disposed of as single use items.</p>	<p>To ensure all classrooms have sufficient and up to date PPE equipment</p>	<p>RP</p>	<p>20/9/21</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Any individuals who continue to choose to wear face coverings should be supported to do so. Those wearing face coverings should clean hands before and after touching – including to remove or put them on – and store them in individual, sealable plastic bags between use. See face coverings when to wear one</p> <p>Face coverings should still be worn in enclosed and crowded spaces where you may come into contact with people you don't normally meet. This includes public transport and dedicated transport to school.</p> <p><u>November Changes:</u> adults to wear a mask inside when interacting with others</p>	<p>Outbreak management risk assessment undertaken and shared with staff</p> <p>Letter to parents asking them to wear a mask in the office as small space with lots of through traffic- if not, window shutter to be kept closed so parents/ visitors can talk through it Parents informed through newsletter Staff informed and compliant</p> <p>Coach drivers wearing masks on trips</p>	<p>EF</p> <p>EF</p> <p>Barnetts</p>	<p>2.9.21</p> <p>1.11.21</p> <p>15.9.1 + weekly</p>	<p>Done</p> <p>Done</p> <p>In place</p>
General Transmission of COVID-19 wider use of school by 3rd parties / beyond school day	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Hiring and lettings risk assessments on use required from provider No set restrictions on indoor / outdoor capacity limits beyond what the school chooses to impose.</p> <p>Supplementary conditions of hire in place for COVID see https://thegrid.org.uk/health-and-safety-offsite-visits-premises/health-and-safety/premises-and-site-related</p> <p>Room layouts and areas able to be accessed agreed with hirer. Time of hire avoids any unnecessary mixing with members of the school community. Welfare facilities and adequate supplies of soap/water, paper towels, hand sanitiser etc. are provided. Consider how well ventilated the hired space is and if this can be improved, for example by opening windows / doors where appropriate. Provide additional signage, if required, for hired spaces to remind users on hand washing etc. All areas used, particularly touch surfaces are cleaned before / after use / before occupation by school.</p> <p>Record should be kept of all visitors / lead booker (maintained for 21 days) to aid track and trace. Or NHS QR code poster and check in</p>	<p>Hirings / lettings to be reviewed in line with national</p> <p>N/A at this time</p> <p>advice and relaxation of restrictions.</p> <p>See also Sport England FAQs on return of sport</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>function could be used for members of the public when premises are let to external providers. (this is not a legal requirement) Schools are not expected to create NHS QR code posters for their normal day to day operations. In the event of a subsequent positive case returned by a hirer / member of a 3rd party group ensure there is a process in place to notify the school.</p> <p>Breakfast and afterschool clubs – risk assessments on delivery required from providers See protective measures for holiday and after school clubs, and other out of school settings</p> <p>Performances</p> <p>Audiences indoor / outdoor have been permitted since May 17th (see also performing Arts guidance). For all indoor spaces, maximise natural ventilation (through opening windows and doors or using air conditioning systems wherever possible-see ventilation and music).</p>				
Access to & egress from site	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Visitors Ensure all visitors / building users are aware of school's expectations. They must follow social distancing, hand washing / use of sanitiser on entry and adhere to any restrictions on accessing parts of the building stipulated by the school.</p> <p>Volunteers, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk.</p> <p>Where visits can happen outside of school hours, they should. No longer a requirement to collect contact details but this will support NHS Test and Trace. Check in by providing an NHS QR code poster, or alternate method for recording and securely storing names and contact details.</p> <p>Signage in reception regarding good hygiene. Use of Perspex screens for open receptions.</p>	<p>Use of hand sanitizer for visitors before touching inventory sign in screen</p> <p>Visitors to be escorted around school socially distanced and where not possible, they are to wear a mask (visors used by some therapists)</p>	<p>Office staff</p> <p>Office staff</p>	<p>2.9.21</p> <p>2.9.21</p>	<p>In place</p> <p>In place</p>

		Resuscitation Council UK Statement on COVID-19 in relation to CPR and resuscitation in first aid and community settings Resuscitation Council UK First aiders update training took place- July 2021				
Provision of personal care	Staff, Students / pupils / wider contacts Spread of COVID 19	Additional PPE in place if required e.g. for intimate care, to be risk assessed and to be based on nature of task and level of contact (e.g. disposable apron, gloves, fluid resistant surgical mask (type IIR) and if there is a risk of splashing to the eyes e.g. coughing, spitting, vomiting then eye protection (e.g. face shield / visor) should be worn.) Face visors or shields should not be worn as an alternative to face coverings. Ensure any reusable PPE such as face visors are cleaned after use. Where a child falls ill with Coronavirus symptoms whilst on site (new continuous cough, high temperature cough or a loss of, or change, in your normal sense of taste or smell.) then school staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask) if close contact is required. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask, disposable apron and gloves. All PPE should be worn properly, and removed with care. Wash hands immediately and thoroughly before and after removing PPE.	PPE to be worn – further guidance to be provided to staff on the use of this when providing additional care appropriate to the circumstances. RJ to check levels of PPE within classes	EF RJ	17.9.21 20.9.21	
Premises safety	Staff, Students / pupils Wider safeguarding / safety risks	Ensure all 'normal' tasks / compliance checks are being carried out/planned such as fire alarm testing, legionella controls, servicing of equipment, PAT testing etc. Ensure all key services are operational Legionella Any new 'seldomly' used water outlets to be flushed weekly. Post any lockdown / in the event of closure of any part of the building i.e., where weekly flushing of outlets has not taken place then chlorination / flushing of whole system should take place. Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)	Continuing as part of maintenance schedule	JT JT	1.9.21 1.9.21	In place In place
Lack of awareness of PHE / school controls	Staff, Students / pupils / wider contacts	All staff consulted on plans and risk assessment. Parents/ carers and pupils informed of measures in place to protect them	Risk assessment to go to staff and governors	EF EF to upload for governors	15.9.21 23.9.21	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
	Spread of COVID 19	<p>Posters will be displayed in the reception, welfare areas and in suitable places around site.</p> <p>Clear briefing for all personnel on site, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from government guidance.</p> <p>Volunteers, peripatetic, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk.</p>	Outbreak management risk assessment to staff and governors		<p>9.9.21</p> <p>23.9.21</p>	
Staffing levels	<p>Staff, Students / pupils</p> <p>Spread of COVID 19</p> <p>Wider safeguarding / safety risks</p>	<p>Dynamic decisions on staffing levels made dependent on numbers / needs of pupils present in school.</p> <p>Reviewed to ensure adequate number of staff in attendance to maintain an appropriate ratio with pupils and ensure key competencies (first aid etc maintained)</p> <p>Options such as supply staff, splitting classes, SLT cover, partial closure may be required in event of staff shortages.</p>	<p>Local operational decisions on partial closure / closure to be made in event of insufficient available staff to supervise pupils. With a move to remote learning in such circumstances for those pupils affected.</p> <p>Operational decisions to be made related to circumstances and in relation to ratios and required support</p>	SLT	As required	

Previous revisions

Rev 1: updated template following issue of Government advice on July 2nd

[Actions for schools during coronavirus outbreak'](#)

Rev 2: 16/07/20 updates to swimming pool section following confirmation of re-opening from 25th July, additional controls added to hire / lettings, some other minor changes;

Rev 3: 13/08/20 updated to take account in changes in national advice regarding face coverings

Rev 4: 01/09/20 updated following updated [DfE guidance on full opening](#) (28/8/20), [face coverings in education](#) (year 7 and above), testing kits and DfE guidance on [extra curricular activity](#)

Rev 5: 09/10/20 updated link to reporting of positive cases, use of NHS COVID-19 app and link to supplementary hire conditions added, updated Association of PE links added, changes from previous version highlighted in yellow.

Rev 6: 04/11/20 updated following revised DfE guidance (22/10/20) and [New national restrictions](#) from November 5th until 2nd December (See also How New National Restrictions to control the spread of coronavirus (COVID-19) impact education, childcare and children's social care settings <https://www.gov.uk/guidance/education-and-childcare-settings-new-national-restrictions-from-5-november-2020>)

19/11/20 – minor addition only to clarify extracurricular activities / clubs can include activities related to PE, sport, music etc. where this is to enable parents / carers to work etc.

Rev 7: 01/12/20 Applicable from 2nd December updated to reflect end of national restrictions and Hertfordshire entering tier 2. Also maximum group size of 15 for singing / playing wind/ brass instruments removed and section on music revised.

14/12/20 minor update to reflect change in self-isolation period for close contacts from 14 days to 10 days with self-isolation period beginning on the day after exposure, a test or the start of symptoms.

Rev 8: 15/12/20 update to reflect the following District / Borough Councils moving into tier 3 very high alert on 12:01am on 16th December: Broxbourne, Hertsmere, Three Rivers, Watford See <https://www.gov.uk/guidance/full-list-of-local-restriction-tiers-by-area> ;

17/12/20 - minor update to reflect all of Hertfordshire entered tier 3 as from 00:01 Saturday 19th December

Rev 9: 23/12/20 update to reflect Hertfordshire entering tier 4 as from Sunday 20th December, CEV staff and students to shield, suspension of hires in line with national guidance, offer of lateral flow testing from 1st week in January.

Rev 10: 04/01/21 updated in line with revised national [guidance on return in January 2021](#) and Contingency framework implementation this applies to Schools in Broxbourne, Watford , Three Rivers and Hertsmere <https://www.gov.uk/government/publications/coronavirus-covid-19-contingency-framework-for-education-and-childcare-settings> changes highlighted in yellow

Rev 11 06/01/21 updated to remove reference to tiered system and announcement on 4th January of a national lockdown for all England

08/01/21 minor addition to make clear Schools can where required continue to engage supply and peripatetic teachers during this period.

03/02/21 updated broken AfPE hyperlink, added links to lateral flow testing risk assessment (No changes to the risk assessment required from the updated DfE guidance '[Restricting attendance during the national lockdown schools](#)' (2/2/21))

Rev 12 23/02/1 updated to reflect new DfE guidance applicable from March 8th
<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak>

Take this opportunity to review and refresh all your now 'normal' measures on site, ensure that any signage and floor markings which may have faded / lost their impact are reinstated and re-communicate the importance for staff and children of social distancing, wearing of face coverings, hand hygiene and maintaining ventilation.

Rev 13 01/04/21 review following updated DfE guidance and pause in shielding for CEV individuals from 31st March

Rev 14 12/05/21 reviewed following revised DfE guidance of May 10th to reflect step 3 of roadmap (from May 17th) changes made relate mainly to face coverings, educational visits and wraparound / extra-curricular activity.
