

## Subject Intentions 2021-2022

English	<p>Reading To close the vocabulary gap between our children and their peers using a broad and rich reading diet.</p> <p>Writing To enable our children to communicate accurately and effectively to fully access the National Curriculum</p>
Maths	To enable all children to develop fluency, problem solving and reasoning skills so that they enjoy maths and can confidently apply their mathematical skills in real life and across the curriculum.
Science	To ignite curiosity, be relevant and appropriately challenging. We want to inspire children to explore, have an inquiring mind and ask and answer scientific questions.
Computing	<p>To ensure a personalised computing curriculum that embeds functional skills within the children as confident users of technology.</p> <p>To have esafe members of the school community.</p>
Humanities History and Geography.	To ensure a curriculum which builds upon prior learning, ensures continuity and progression of knowledge and skills.
PE	To ensure maximum participation in activity, promote a healthy lifestyle and a love for all sports.
Art	To ensure quality art teaching through the development of a sequence of skills within the context of a widening knowledge of art styles and artists
DT	To provide children with a real life context for learning. Through the DT curriculum, children should be inspired by engineers, designers, chefs and architects to enable them to create a range of structures, mechanisms, textiles, electrical systems and food products with a real life purpose
Music	To enable our children to leave The Reddings as musically literate children and instill in them a lifelong love of music.
RE	To develop our children's understanding of other people's faiths, beliefs and values by developing cultural awareness.
Spanish	To develop a love of the culture and language of another country. To increase our Spanish vocabulary and our confidence to use it.
Jigsaw (PSHE)	To develop emotionally literate children, who are well informed, respectful of others and prepared for life beyond The Reddings.
